Description

Quick filter machine for locations without water connection.
Delivered with 2 decanters and 1 stainless steel filter pans. Model with 1 brewing system and 2 hot plates.

Strong points

- Delicious, fresh filter coffee
- High-quality stainless steel combined with black accents give the machine a modern appearance
- The machine can be manually filled with water and therefore be placed anywhere
- The water indicator tells whether the machine has been filled
- Self-regulating hot plates to preserve the optimum quality of the coffee
- Signals indicate when the coffee is ready and when the machine needs descaling.
